

Luminaria Form
Relay for Life of Rowan County
Rowan County Fairgrounds
May 2 – 3, 2008

There will be hundreds of candles lighting the night at the Rowan County Fairgrounds – each one a tribute to a cancer patient. Candles displaying the names of all those being remembered and honored will be lining the track just after sunset on Friday, May 2, 2008. This will be a meaningful and inspirational ceremony and we would like to invite you to participate in this year’s event by having a candle lit in memory of a loved one or in honor of a cancer survivor.

Each luminaria requires a \$10.00 donation.
